

# SPECIAL BeOn PTT SUPPORT DURING OUR HEALTHCARE CRISIS

As the public health crisis grows, First Responders and critical service providers are engaged in a herculean effort to respond to calls for essential services while continuing to monitor and support staff safety.

## We're here to help

### Get Secure, Voice and Data Group Communications Quickly and Easily

- > BeOn uses Wi-Fi® and LTE regardless of your cellular provider
- > Compatible with your Android™ and Apple® iOS smart phones, tablets and Windows® PCs. Uses the existing BeOn application in your VIDA® Core
- > Protects confidential information with voice and data encryption
- > Activate users through your existing VIDA system

## How It Helps Your Team

- > Communicate with multiple agencies and talk groups with the push of the button
- > Share availability and status of all in-field staff
- > Send critical information via group text
- > Locate and track out-of-building workers

## Terms and Conditions

1. This promotion is for a 90-day free trial period and requires an existing customer VIDA system running the SR10A.2 or newer System Release.
2. Purchase Orders for this no-charge promotion should reference MBP **20748** and must be received by Ci prior to close of business on May 28, 2020. The order will be for option BM-PKGCL. This option provides for 5 BeOn Client licenses; therefore, for example, if licenses are desired for 100 users, the purchase order will be for a quantity of 20 BM-PKGCL.
3. Ci/L3Harris will request a copy of the current BeOn core license file which resides on your VIDA system be emailed to them.
4. Ci/L3Harris will email a Core license key to you which will allow you to use BeOn on the VIDA system at no charge during the promotional period.
5. Engineering and field services are not included in this promotional pricing and must be purchased separately if desired.
6. L3Harris standard terms and conditions apply to the software provided under this order including the BeOn End User Software License Agreement.
