

L3HARRIS™
FAST. FORWARD.

DISPATCH SOLUTION THAT MOVES WITH YOUR TEAM

As the public health crisis grows, First Responders and public service providers have been thrown into uncharted territory. Dispatchers are now faced with managing an unprecedented volume of calls. An added concern is the possible exposure to health threats that could impact their ability to perform this vital role.

We're Here to Help

Now your dispatchers can work remotely anywhere, anytime with our V^{IP} Dispatch Console. All it takes is a quick Windows®-based application installation and activation on your VIDA® system.

Powerful, Secure Solution for Remote Dispatch

- > No extra equipment required, runs on standard PC or desktop computers
- > Allows dispatchers to monitor up to 4 talk groups
- > Operates on a secure, flexible IP network
- > Supports multiple vocoders, VIDA P25 and OpenSky® systems

This affordable, single license offer includes:

- > Software-only V^{IP} Dispatch Console application with AES encryption
- > ADPCM, AMBE® and IMBE™ vocoder support
- > Seven console talkpaths

Minimum System Requirements

1. This promotion requires the VIDA system to have a virtual private network (VPN) setup on the network to support remote connectivity as well as sufficient network bandwidth to provide optimal audio quality for the remote consoles. Technical specifications and bandwidth calculations are available upon request.
2. The V^{IP} software application requires a Windows® 10, Windows 8 or Windows 7 operating system, preferably a Windows 10 operating system. The V^{IP} software application is supported on VIDA systems with a System Release (SR) software level of SR10 or PR9.

Terms and Conditions

1. Purchase Orders for this promotion must reference MBP 20746 and must be received prior to close of business on May 28, 2020.
2. This promotion does not apply to the prices for additional software licenses and accessories beyond the software quantities for one console position as set forth above.
3. Engineering and field services (including, without limitation, system setup services) are not included in this promotional pricing and must be purchased separately if desired.
4. Ci standard terms and conditions apply to equipment and software purchased unless another customer-specific existing contract applies.
5. This promotion cannot be combined with any other promotions, special offers or special pricing agreements.
6. Ci/L3Harris reserve the right to cancel an order at any time if it does not comply with the terms and conditions outlined above.
