Job Overview:

We are hiring System Installers to be responsible for installing, relocating, disconnecting digital & analog public safety & commercial two-way communications equipment. **Overnight Travel EVERY WEEK REQUIRED.**

System Installers are directly responsible for building out the systems that let our communities' public safety, education, public works, & business organizations effectively communicate & deliver services.

This is a critical role that requires team members to work onsite at customer locations & interact directly with customers as well as with Ci's project managers & project engineers. To succeed, candidates will need to be reliable, customer service oriented, total team players, professional in appearance & communicating (both in writing & verbally.)

System Installers will develop & refine the skills needed to install complex racks of electronic equipment, install backup power systems, install, & terminate all types of cables (coaxial, DC power, Ethernet, fiber optic, grounding,) install computer consoles & accessories, program digital radio equipment, & install vehicular equipment.

Required Experience:

- Working knowledge of and history using basic hand and power tools.
- At least one year of low voltage/structured cabling installation experience.

Preferred Skills and Experience:

- Demonstrated ability to read & understand drawings/blueprints/plans.
- OSHA10 or OSHA30 class completion.
- **At least one year of work experience in these areas.**
- Experience installing & terminating coaxial cables.
- Understanding of AC & DC power systems.
- Work experience using a voltmeter, ammeter, clamp-on ground resistance meter.

TRAVEL REQUIRED System Installer

Job Requirements:

- Clean criminal background & clean driving record.
- **Willingness to travel (up to 90%,) sometimes out of market/out of state for up to two weeks at a time.**
- **MUST pass a pre-employment background check and Drug Screen**
- Must be in good physical condition with the ability to stoop, crawl, bend at the knees & waist, squat, lift & move a minimum of 50 lbs. unassisted, & repeatedly climb & descend stairs & ladders.
- **Ability to complete written checklists & provide work progress reports.**
- **Other duties as assigned**
- High school diploma or GED.
